

West Durham Methodist Circuit

Plan

January - Feb 2021

Suspension of Worship

Revd Christopher Humble, Superintendent of the West Durham Circuit, has decided in consultation with his ministerial colleagues and with regard to the Prime Minister's implementation of a national lockdown that, with immediate effect, there will be no other acts of worship as planned until the middle of February, when he will review the situation. This is with the exception of Crook's Covenant Service to which the local Anglicans were invited as a joint service.

The Plan issued effective from 1st January to 28th February is rescinded.
